SUMMARY

- Consistent and avid learner with a zest to communicate and develop Currently Looking For a Stimulating and challenging work experience

EDUCATION

- **Yashwantrao Chavan College Of Engineering Nagpur** *2021 - 2024*
  Bachelor of Technology in Electronic Engineering

- **Nagpur Institute Of Technology** *2019 - 2021*
  Diploma in Electronic and Telecommunication

- **Municipal High School Kalmeshwar** *Class : 12th* *2017 – 2019*

PROJECTS

- **Employee Management System** *January 2023*
  - It serves as a centralized platform for managing employee data, tracking their performance and facelifting communication between employees and managers. Here's a breakdown of its key features functionalities
  - **Tech Stack:** JAVA / SQL .

- **Transmission Line Fault Detection Using IOT** *January 2024*
  - The proposed system consists of sensor deployed along the transmission lines to monitor the line parameters such as voltage, current and temperature. These sensors capture data, which is then sent to cloud-based platform. The system is designed to detect and locate faults such as line breakages, short circuits, and overloads in real-time.

SKILLS

- **Languages**: C, C++, Java, SQL, HTML , CSS.

- **Dev Tools**: Visual Studio Code

- **Academic Coursework**: OOPs(Object Oriented Programming).

- **Soft Skills**: Leadership, Hardworking, Communication and Problem Solving Skills.

CERTIFICATE

- Applied Cloud Computing for Software Development. (**T**ech-**S**aksham – **M**icrosoft).
- Career Essentials in Generative AI by Microsoft and Linkdin .(**L**inkdin – **M**icrosoft – Feb 2024)

EXTRA-CURRICULAR ACTIVITY

- Chess Club
- Sport Team Membership

LANGUAGES

- **English –** native speaker
- **Hindi –** native speaker
- **Marathi –** native speaker
